

**Exercise 1.**

Mickey Mouse went to the zoo

**Exercise 2.**

Because I said so

## Short Solutions

### Solution 1.

- a) Goofy

### Solution 2.

- a) second short

## Long Solutions

### Solution 1.

- a) If I were a rich man  
Do some math inline  $x = \sqrt{23}$ .  
Followed by some display math.

$$x = \frac{-b \pm \sqrt{c^2 - 4ac}}{2a}$$

### Solution 2.

- a) second long
